

La Roque Lamp Table / Pot Cupboard

Small Table Featuring a Grand Design

The beautifully crafted La Roque Lamp Table/Pot Cupboard is small yet a grand addition to your room. It can work as a side table, lamp table, and even a telephone table. Place it anywhere around the house, and it will elevate the look of the room while adding a good amount of storage space with its one-door cabinet.

Smart Designing

Made from solid Mahogany, the La Roque Lamp Table/Pot Cupboard features smart designing that will compliment your home-décor perfectly. The simplistic design of the table is what makes it stand out and gives it a sophisticated edge. The tear-drop handles add into the overall beauty of this table that will add the “wow” factor to your room!

Exceptionally Durable

When it comes to durability and strength, this lamp table is a great option to choose. The simple yet grand-looking lamp table features the best build quality and can withstand an ample amount of load. Its durability is one of its best features!
